Dear Sir/ Madam,

This is a letter of recommendation for Elise Reynolds in which I am honored to write. Over the years in knowing Elise, professionally and personally, she has consistently impressed me. Her intellect matched with her exceptional talents along with her common sense make her a remarkable woman.

Elise demonstrates a high level of professionalism, top notch and up to date resources and is always reliable. It is rare to find someone who has things accomplished by the date and time she promises. Her artistic abilities are nothing less than phenomenal. Not only is she extremely gifted in the arts, she is able to hear what people want and somehow create it artistically. She is a great listener and I think that is one of her qualities that sets her far apart from other professionals. She truly cares about her work and more importantly, cares for people and always has an uplifted attitude.

Elise seems to find a solution no matter what the obstacle may be. Even in her struggles with whatever the obstacle may be, she finds humor and does not give up until the solution has been discovered. It will be a huge gift to have Elise as part of your team. I highly recommend her.

If you have any questions at all, please feel free to call.

Sincerely,

Ronna Evans, LCSW
